

FRIB

Facility for Rare Isotope Beams
U.S. Department of Energy Office of Science
Michigan State University

LINAC 2016

Where and When?

LINAC 2016

9/25 (Sun) ~ 9/30 (Fri)

At Kellogg Hotel & Conference Center located inside the campus of Michigan State University, being walking distance from down town, where another hotel Marriott is within 15 minutes walk.

Gardening professionally cared by Agriculture Department

Kayaking and surfing from the center of campus

Michigan State University (MSU) with Spartan Spirit

57,000 people; 47,000 students, 92 sq km; \$1.8B annual revenue; 552 buildings
US No. 4 Biggest University

Banquet – Huntington Club in Spartan Stadium

The Club, located on the fourth floor of Spartan Stadium, features a sideline view (between the 20-yard lines), with padded, extra wide chairback seats. Please, look forward to Mid West American way of entertainment and hospitality: Rock, Blues, and Cheer Leaders and Bands

Outing – Lake Michigan

Tour: FRIB at MSU just Approved for Accelerator and Experimental Facility Construction

SRF high bay is funded by MSU, and will be used for FRIB cavity processing and cryomodule production

LINAC 16 is also unique

- To be held in Country Style **University Town**
 - Keeping the America's Mid West Tradition in the good old days
 - Local people friendly, warm-hearted
 - Safe: Girl students walking around down town midnight (of course, due care is still necessary)
- Good food: Michigan is farmers' state. MSU started from its agriculture department, which is still major in MSU. Good fruits, vegetables, beefs, local beers and local wines, in particular, MSU-brand ice cream,

All Natural.

***See You
At
Michigan in 2016***
